International Conference on Gynaecological Endoscopy
Nairobi • Kenya
3rd ISGE African Conference 2015
6th Annual General Meeting
&
4th Annual Scientific Conference of
The Kenya Society of Endoscopic Specialities (KESES)

23rd to 26th August 2015
www.nairobi2015.isge.org
The International Society for Gynecologic Endoscopy was formed in 1989 by a group of committed Endoscopists from Europe and North America, who were soon joined by others from all over the world. They recognised the need for a scientific group who would meet at regular intervals to share their knowledge and expertise in Gynecologic Endoscopy.

The Goals of our Society are:

- To establish an international forum for the exchange of information and new ideas between Gynecologic Endoscopists. This function is provided by annual scientific meetings and by contributions to the affiliated Journal, one of the premier journals in this field.

- To provide leadership and unprejudiced academic excellence in this highly important field. The quality of the scientific meetings and workshops will be maintained by the Scientific Committee. Advice is always readily available from the Board Members.

- To promote safety and competence in Gynecologic Endoscopy through education. Regular courses and training programs are run in many countries. Their content is scrutinized by the Scientific Committee before they gain approval of the Society. The Society does not control, but does maintain an influence on the quality and teaching content of the courses which are organised under its auspices.

- To scientifically investigate and evaluate new endoscopic techniques which may be of benefit to women and report to members their use and effectiveness.

A unique opportunity to meet and interact with the “Who’s Who” in Hysteroscopic and Laparoscopic Surgery from the world over.

“Join us for an exciting Scientific session in Nairobi, August 2015”.

The Kenya Society of Endoscopic Specialities (KESES) at its 6th Annual General Meeting and 4th Annual Scientific Conference in 2015 takes great pride in hosting the 3rd ISGE African Meeting in Nairobi, Kenya.

The Society has over the years been at the forefront in the development in an interest in Laparoscopic Surgery in this Region and at the same time disseminating skills extensively amongst the younger Surgeons on the African Continent.

We are indeed honoured to partake this very important meeting.

Karibuni Kenya!
Register now. Book your accommodation online now. Special rates have been negotiated for ISGE Delegates.

August is a great time to go on safari in Kenya. The Masai Mara Game Reserve is host to the Eighth Wonder of the Natural World - The Great Wildebeest Migration.

Book your safari now to avoid last minute disappointments.

August is a very busy month in Kenya.
### SATURDAY 22nd AUGUST, 2015

**09.00am**

**ISGE EXCO Board Meeting**

Southern Sun Mayfair

### SUNDAY 23rd AUGUST, 2015

**PRE-CONFERENCE WORKSHOPS**

(Full Day)

### COCKTAILS

**CARNIVORE GROUNDS**

5.00pm

Keynote Lecture (**KESES**) Endoscopic Surgery in Africa: An unapped potential  
**KONJE** Justin

Keynote Lecture (**ISGE**) The need for Global Accreditation Programs in Endoscopic Surgery  
**VAN HERENDAEL** Bruno

### OPENING CEREMONY

**CARNIVORE GROUNDS**

### Session 7: ANATOMY FOR THE ENDOSCOPIC SURGEON

**Room A**

- **13.30 pm - 15.00 pm**
  - **Keynote Lecture**
  - **THE PURPOSE OF ANATOMY AS A GUIDE IN LAPAROSCOPIC SURGERY: “KNOW YOUR ANATOMY, FOLLOW YOUR ANATOMY, NEVER LOSE YOUR ANATOMY”**
  - **WATTIEZ Arnaud**

- **14.10 pm - 14.30 pm**
  - Laparoscopic Retroperitoneal Anatomy
  - **PASIC Resad Abri**

- **14.30 pm - 14.50 pm**
  - The importance of restoring Anatomy in Endometriosis
  - **DE BRUIN Resad Abri**

- **14.50 pm - 15.00 pm**
  - Questions & Answers

### Session 8: COMPLICATIONS (I)

**Room A**

- **15.30 pm - 17.00 pm**
  - **Keynote Lecture**
  - **AVOIDING ENTRY INJURIES IN WOMEN WITH A SCARRED ABDOMEN**
  - **MANGESHIKAR Prashant**

- **15.30 pm - 15.50 pm**
  - Complications of Laparoscopic surgery : How to avoid these?
  - **PASIC Resad**

- **15.50 pm - 16.05 pm**
  - Complications in Laparoscopic Surgery
  - **PAK PAR KAR Rafique**

- **16.05 pm - 16.20 pm**
  - Strategies to minimise complications in Laparoscopic Surgery
  - **PAUL PG**

- **16.20 pm - 16.35 pm**
  - Laparoscopic Morcellation : Avoiding tissue spread by using intra-abdominal bags
  - **NOE Günther**

- **16.50 pm - 17.00 pm**
  - Questions & Answers

### Session 9: ENERGIES IN ENDOSCOPIC SURGERY

**Room B**

- **13.30 pm - 15.00 pm**
  - **Keynote Lecture**
  - **SAFE USE OF ENERGY IN LAPAROSCOPIC SURGERY**
  - **ZURAWIN Robert**

- **13.30 pm - 13.50 pm**
  - Electrosurgery in Endoscopy
  - **GOOLAB Bhaskar**

- **13.50 pm - 14.05 pm**
  - Bipolar energies to perform Hysterectomy
  - **PATEL Yamal**

- **14.05 pm - 14.20 pm**
  - Ultrasound energy in Laparoscopic Surgery
  - **ROSSETTI Alfonso**

- **14.20 pm - 14.35 pm**
  - Sealing and excited plasma energies in Laparoscopic Surgery
  - **KURIAN Joseph**

- **14.50 pm - 15.00 pm**
  - Questions & Answers

### Session 10: COMPLICATIONS (II)

**Room B**

- **15.30 pm - 17.00 pm**
  - **Keynote Lecture**
  - **THE ANATOMY OF SUCCESS FOR THE ENDOSCOPIC SURGEON**
  - **SINHA Rakesh**

- **15.30 pm - 15.50 pm**
  - Moreculation of fibroids the ESGE recommendations
  - **BRÖLMANN Hans**

- **15.50 pm - 16.05 pm**
  - Handling complications during Laparoscopic Surgery
  - **METTLER Liselotte**

- **16.05 pm - 16.20 pm**
  - Laparoscopic Fistula repair
  - **RAMPHAL Liselotte**

- **16.20 pm - 16.35 pm**
  - Controversy over Morcellation in Laparoscopic Surgery the AAGL point of view
  - **ZURAWIN Suran**

- **16.50 pm - 17.00 pm**
  - Questions & Answers

### Session 11: SAUDI GROUP OF GYNECOLOGICAL LAPAROSCOPISTS

**Room C**

- **13.30 pm - 17.00 pm**
  - **Keynote Lecture**
  - Ovarian Torsion in the King Fahad Medical City
  - **SENDY Sameer**

- **13.30 pm - 13.50 pm**
  - Laparoscopic Ovarian Drilling revised
  - **ARAB Hisham**

- **13.50 pm - 14.10 pm**
  - Da Vinci Laparoscopy in Saudi Arabia
  - **AL SWALEIM Sahar**

- **14.10 pm - 14.30 pm**
  - Sharing local experience of Single-Port Laparoscopy
  - **SAimalAH Kareema**

- **14.30 pm - 14.50 pm**
  - Hysteroscopy and Infertility
  - **AL-EBIEID Sulaiman**

- **14.50 pm - 16.10 pm**
  - Role of Laparoscopy in managing infertile couples
  - **ISKANDER Mamdoh**

- **16.10 pm - 16.30 pm**
  - Questions & Answers
WEDNESDAY 26th AUGUST, 2015

09.00 am - 10.30 am Session 12 UTERINE MYOMA (I) Room A

**Chair Persons:** Sinha Rakesh / Sizzi Ornella

**Keynote Lecture**
- Preoperative Differential Diagnosis Between Myoma and Myosarcoma: The ISGE Recommendations
  - Sizzi Ornella

09.00 am - 09.20 am
- Fibroids: Their effect on fertility - which fibroid and when should we remove it?
  - Siebert Ignor
- Laparoscopic Myomectomy: Pushing the limits
  - Paul PG

09.20 am - 09.35 am
- How to reduce blood loss in Laparoscopic Myomectomy
  - Sinha Rakesh

09.35 am - 10.05 am
- Current status of Power Morcellation
  - KOTDAWALA Parul

10.05 am - 10.20 am
- Questions & Answers

10.20 am - 10.30 am

11.00 am - 12.30 noon Session 13 HYSTEROSCOPY (I) Room A

**Chair Persons:** Loddo Alessandro / Groenewald Garry

**Keynote Lecture**
- Hysteroscopic Myomectomy Using the Cold Knife
  - MAzzon Ivan

11.00 am - 11.20 am
- Ashermann Syndrome Treatment: State of the Art
  - Loddo Alessandro

11.20 am - 11.35 am
- Pre-operative assessment of the cavity
  - Clevin Lotte

11.35 am - 12.05 am
- Uterine polyps and their Hysteroscopic Management
  - De Jong Peter

12.05 pm - 12.20 pm
- Challenges in cases of severe Ashermann’s syndrome before IVF
  - Shah Pragnesh

12.20 pm - 12.30 pm
- Questions & Answers

TEA / COFFEE

13.30 am - 15.00 pm Session 14 MEDICO-LEGAL ASPECTS Room A

**Chair Persons:** Ternamian Artin / Goolab Bhaskar

**Keynote Lecture**
- Medico-legal Aspects in Endoscopy
  - Ternamian Artin

13.30 pm - 14.00 pm
- OR ready: How to avoid problems at the start?
  - Chung Maurice

14.00 pm - 14.15 pm
- The ISGE accreditation for Endoscopic Surgeons and Theatres with emphasis on the medico-legal aspects
  - Sizzi Ornella / Van Herendael Bruno

14.15 pm - 14.30 pm
- The African situation with emphasis on Southern Africa in Medico-legal problems
  - Goolab Bhaskar

14.30 pm - 14.50 pm
- The African situation with emphasis on Southern Africa in Medico-legal problems
  - Chung Maurice

14.50 pm - 15.00 pm
- Questions & Answers

TEA / COFFEE

15.30 pm - 17.00 pm Session 15 NEW TECHNOLOGIES Room A

**Chair Persons:** Konje Justin / Bröllmann Hans

**Keynote Lecture**
- 3D Laparoscopic Surgery in Gynaecology
  - Supermaniame Sevellaraja

15.30 pm - 15.50 pm
- Trans-vaginal Endoscopy in an Outpatient setting: How far can we go?
  - Rachman Ichandy

15.50 pm - 16.05 pm
- Single port Laparoscopic Surgery for Endometriosis
  - Bröllmann Hans

16.05 pm - 16.20 pm
- Caeasrian Section scar defect (“nich”): Diagnosis and treatment: First results of Hysteroscopic resection and Laparoscopic reconstruction (n = 75) trials
  - Uncu Gurkan

16.20 pm - 16.35 pm
- Laparoscopic cerclage: Indications and technique
  - Bröllmann Hans

16.35 pm - 16.50 pm
- Questions & Answers

16.50 pm - 17.00 pm

TEA / COFFEE

09.00 am - 10.30 am Session 16 ENDOMETRIOSIS Room B

**Chair Persons:** Van Der Wat Johan / Kopjar Miroslav

**Keynote Lecture**
- Technical Strategies in Laparoscopic Management of Die
  - Shervin Adel

09.00 am - 09.20 am
- Teenage Endometriosis: Medical or Surgical treatment?
  - GOOLAB Bhaskar

09.20 am - 09.35 am
- Virtual colonoscopy in the detection and follow-up of Endometriosis
  - Van Der Wat Johan

09.35 am - 09.50 am
- Operative Endoscopy in Urinary Tract Endometriosis
  - Rossetti Alfonso

09.50 am - 10.05 am
- Surgical treatments for Endometriosis and Pelvic pain
  - Siedhoff Matthew

10.05 am - 10.20 am
- Questions & Answers

10.20 am - 10.30 am

11.00 am - 12.30 noon Session 17 INFERTILITY AND ENDOscopy Room B

**Chair Persons:** Paul PG / Mhlanga Felix

**Keynote Lecture**
- Is There a Role for Laparoscopic Tubal Anastomosis?
  - Paul PG

11.00 am - 11.20 am
- Hysteroscopy in Fertility enhancement
  - Clevin Lotte

11.20 am - 11.35 am
- Hysteroscopy and IVF
  - Loddo Alessandro

11.35 am - 11.50 am
- MIGS Management of Uterine Fibroids in view of the fertility outcome
  - Imundia Sandesh

11.50 am - 12.05 pm
- Endomyometrectomy in Adenomyosis a novel technique
  - Kade Sandesh

12.05 pm - 12.20 pm
- Questions & Answers

12.20 pm - 12.30 pm

TEA / COFFEE
### Session 18: Cysts & Fibroids at Laparoscopy (Room B)

**Chairpersons:** Siebert Ignor / Wanyoike J. Gichuhi

- **Keynote Lecture**
  - **Laparoscopic Treatment of Ovarian Cysts: Evidence-Based Considerations**

**Schedule:**
- **13.30 pm - 13.50 pm:** The treatment of Endometriosis
- **13.50 pm - 14.05 pm:** Endoscopic management of fibroids indenting the uterine cavity missed during previous Hysteroscopy or Laparoscopy and previous IVF failure
- **14.05 pm - 14.20 pm:** Imaging MRI of Myomas: what can we do?
- **14.20 pm - 14.35 pm:** Imaging fibroids in the future: 3D, elastography, colour and power Doppler to assess vascularity: What is the additional value?
- **14.35 pm - 14.50 pm:** Questions & Answers

**Chairpersons:** Siebert Ignor / Shah Pragnesh / Manganova Lucia / Bröllmann Hans

### Session 19: Miscellaneous (Room B)

**Chairpersons:** Van Herendael Bruno / Parkar Rafique B.

- **Keynote Lecture**
  - **Laparoscopic Nerve-Sparing Radical Hysterectomy**

Unlike any other destination on earth, Kenya is the essence of diversity. Kenya - ‘the Safari Capital of the World’ and where you will find some of the finest beaches on the Indian Ocean. Unlike anywhere else on the planet, in Kenya you will find savagely beautiful wildnesses and ethereally snow-capped peaks; crater-studded valleys and wildlife-teeming plains; flamingo-frosted lakes and tropical rainforests.

The last true Eden, Kenya is home to the longest rift in the earth’s crust and its youngest volcanoes. Kenya is the only land in which you can visit the “Cradle of Mankind”, sail a Swahili dhow past a 16th century Portuguese fort and meet a Maasai warrior.

From the moment you touch down and step into the gentle African air, Kenya will give you a warm welcome.

Ancient civilizations and cosmopolitan resorts, Kenya has something for everyone . . . From places of interest around Kenya’s capital city, Nairobi - to the beating heart of the African bush - or the vast plains of the Masai Mara or the pristine white sands, lapped with the gentle waves of the Indian Ocean on the Kenya Coast.

Travel to these magical corners of Kenya and discover the beauty of Kenya.
This is the year to go on your personal African Dream Safari. Whatever your Safari options, we can design a journey that will fit your wildest dreams.

SUGGESTED SAFARI PACKAGES

♦ 2 or 3 nights Masai Mara
♦ 2 nights Ol Pejeta Conservancy & 2 nights Masai Mara
♦ 2 nights Masai Mara & 3 nights Mombasa
♦ 1 night Lake Nakuru National Park & 2 nights Masai Mara

Magical Kenya

An ancient land born of ice and fire, only Kenya offers such a uniqueness of bio-diversity. Such are the extremes of the Kenyan climate, ranging from tropical heat to glacial ice, that it has formed a diversity of habitats found nowhere else on Earth.

A vast mosaic of lion-gold savanna, rolling grasslands, ancient rainforests and volcanic plains, Kenya rises from the idyllic shores of the Indian Ocean to the snow-capped peaks of Mount Kenya which, at 5,199 metres above sea level, is an extinct volcano some three and a half million years old.

Kenya shelters some of the most ancient, fragile and diverse wildlife on Earth. The Eden of the planet, Kenya’s plains and forests offer refuge to the last of the big cats, the world’s greatest herds of elephant, the endangered white and black rhino and a number of endemic species that occur nowhere else on Earth.

Kenya - Garden of Eden, Cradle of Mankind.

For Safari options and rates email: pherajai@me.com OR stefan.bollier@africapoint.com

It is highly recommended to book, confirm and pay for your Safaris EARLY to avoid last minute disappointments. August is peak safari season and places at good facilities are limited and are booked early.
MOMBASA
Located on the Eastern coastline of Kenya bordering the Indian Ocean, Mombasa is the ideal beach destination with sparkling white sands and lush greenery. Mombasa offers a diverse marine life, world-class hotels and friendly atmosphere. Whether you’re looking for a relaxing break on the white beaches, lapped by the azure waters of the Indian Ocean, or something a bit more adventurous- diving, snorkelling, water-skiing or windsurfing, Mombasa offers it all.

LAKE NAKURU NATIONAL PARK
Just two hours drive from Nairobi, Lake Nakuru is among Kenya’s finest national parks. Though famous for the pink flamingoes lining the shores of the lake and the hundreds of preening white pelicans, the small park (only 180 sq km) is home to the black and white rhino, the tree-climbing lions, leopard, large herds of buffaloes and the rare Rothschild’s giraffes as well as many other animals and birds.

“There might have been fifty thousand birds in a bay”

MASAI MARA
Set in the heart of Africa’s Great Plains in Kenya, the Masai Mara boasts 1,672 sq. kilometers of unspoilt wilderness. With its abundant wildlife and over 450 species of birds, Masai Mara is Kenya’s most spectacular and finest wildlife reserves, offering the best game and bird-viewing not only in Kenya, but anywhere in Africa. The views across the rolling golden grasslands studded with acacia trees, rivers and forests are dazzling, the sense of space is overwhelming. The Reserve borders Tanzania and the two countries share the vast Serengeti plains, with wildlife free to roam between Kenya and Tanzania in search of food.

OL PEJETA CONSERVANCY
The Ol Pejeta Conservancy – a 90,000-acre private wildlife conservancy – situated on the equator, in Kenya’s Laikipia District, between the foot hills of the Aberdares and the magnificent snow-capped Mount Kenya. The Conservancy boasts an astounding variety of animals, including the Big Five (the rhino, leopard, elephant, buffalo and lion), Grevy’s zebra, Jackson’s hartebeest, cheetah and chimpanzee. The combination of amazing wildlife and stunning views across the open plains of Ol Pejeta guarantees an unforgettable safari experience.

The Eight Wonder of the Natural World - The Great Wildebeest Migration
